To whom it may concern:

On October 21, 2013 I received Friends of Champ Edmunds' (C00543041) October 2013 quarterly report in the mail as "returned to sender." I immediately contacted the FEC, who advised me to first, send a fax with the first four pages of the October 2013 report attached, which I did, and second, resend the report overnight with an explanation and documentation of the incident, which is this packet.

I sent the October 2013 report to the old Office of Public Records address, PO Box 2517 Alexandria, VA 22301, in error. I sent the committee's April 2013 and July 2013 report to this address with no problems and was unaware I was using the wrong address. Attachment 1a is a copy of the envelope the report was sent in and Attachment 1b is a print out of its USPS tracking which shows the report was delivered and available for pickup at the old address on October 12, 2013, before the October 15 deadline. It also shows the report was returned to sender, arriving back in my mailbox today, October 21, 2013.

Please contact me if I can be of any further assistance.

Sincerely,

Brandon Shannon
